JUDGMENT

Ext.P5 order by which the learned Magistrate ordered custody of the vehicle which was repossessed by a hire purchase company to be given to the hire purchase company, is under challenge in this Writ Petition under Article 227 of the Constitution. Though stay was applied for the same was not granted. Thus obviously Ext.P5 has become operative. Today when the case is called, there is no representation also for the petitioner. The Writ Petition will stand dismissed on the basis that the same has become infructuous.
